CARPE DIEM EXCLUSIVE BOUTIQUE RESORT

Santorini, Greece

Nestled in Santorini's highest village Pyrgos, Carpe Diem is an adult-only hotel, perfect for couples wanting a relaxing and intimate escape. The property is made up of 10 suites, all boasting a private terrace with plunge pool and sweeping panoramic views. The interiors are modern, light and extremely spacious. All differ slightly, but mine had a spacious bathroom with a large bath, a walk-in wardrobe and a mobile phone that offers unlimited data and free calls worldwide. The Althea spa is small but perfect for couples and includes a Yin Yang Jacuzzi, sauna and steam room, plus range of treatments and massages. The 270° restaurant serves pool-side dishes all day. Lunch is delicious Greek meze, and after dark it's Mediterranean fine dining with specialities including seafood kritharoto and beef fillet. Afterwards, sip a cocktail while watching the spectacular sunsets over the volcanic caldera.
